16 This matter presently is scheduled for a status conference regarding a pending supervised
17 release violation on 18 February 2016. The U.S. probation officer is in the process of working
18 out a modification of Mr. King's supervised release conditions, which requires coordination with
19 the U.S. Probation Office in the Eastern District of California. The parties contemplate
20 submitting a proposed modification to the Court for approval once the process is complete.
21 Given that the probation officer needs additional time to complete this process, IT IS
22 STIPULATED AND AGREED that the status conference set for 18 February 2016 may be
23 vacated and this matter continued to **2 March 2016, a Wednesday at 3:00pm**. The probation
24 officer confirms that he will be available on that date.
